

HE&M[®] ELIMINATOR

107 Anti-Spatter

Eliminator 107 Anti-Spatter is a synthetic anti-spatter, formulated to provide excellent protection against spatter adhesion to nozzles, torch tips, and work fixtures

- High quality synthetic product
- Water based formula, free of hazardous ingredients
- Environmentally safe
- Does not contain any types of solvents, ozone depleters, silicons or oil
- Can be handled safely and does not cause dermatitis
- Needs no special storage precautions
- Keeps welding surfaces cooler and helps to prevent warping
- Makes a hotter and cleaner weld thus lowering porosity
- Can be sprayed, brushed or dipped
- Reduces the costly labor and down time of spatter cleaning and equipment changes
