

HE&M[®] ELIMINATOR

214 Multipurpose Cleaner

Eliminator 214 is a multipurpose cleaner concentrate designed for use on hard surfaces, concrete, metals, wood, carpet, and glass.

- Concentrated industrial strength cleaner and degreaser
- Non-abrasive
- Effective for use in both cold and hot water
- Orange citrus odor
- Converts oil and grease to soap to prevent redepositing on clean surfaces
- Cost effective concentrated solution can be diluted up to 120:1 depending on the severity or operation
- A variety of application methods available; mop, brush, soak tank, pressure sprayer, or floor scrubber

Eliminator 214 is a remarkable multi-purpose concentrated cleaner that can be used full strength or added to water to clean just about anything. This product can be used in industrial floor scrubbers, mop buckets, high pressure and steam type cleaners and soak tank cleaners. It is also effective cleaning construction equipment, steel mills, and general industrial applications.
