

# HE&M<sup>®</sup> ELIMINATOR

## 216 Hand Sanitizer with Moisturizer

**Eliminator 216 is a premium hand sanitizer with USP food grade glycerin as a moisturizer to prevent dry skin.**

Eliminator 216 is an 80% v/v solution of ethyl alcohol intended for use as a hand sanitizer and antiseptic. This product is manufactured with the FDA's Temporary Approval for Compound Blending of Hand Sanitizing Products During the COVID-19 Public Health Emergency.

- Eliminator 216 is formulated using FDA, USP, and WHO recommended formulations and guidelines.
- Hand Sanitizer and Antiseptic formula! Safe for topical use on hands.
- Kills Germs, Bacteria, and Viruses including COVID-19 within 15 to 30 seconds of contact.
- Does not contain any thickeners or fragrances.
- Does not leave a sticky residue on hands like hand sanitizer gels.
